Dear Mr. Lindstedt:

Re: Self Bonding and Indemnity Agreement, Georgia-Pacific
Gypsum Quarries, M/041/009, Sevier County, Utah

The Utah Board of Oil, Gas and Mining agreed on May 26, 1988 to approve Georgia-Pacific Corporation's self bond request. The Board requested, however, that the attorney general's office review the self bond form and make several changes to it. This review is currently in process and the Division will forward the revised forms to you when they have been approved by the Board.

Holland Shepherd, of my staff, will replace Frank Filas as the primary contact person in this matter. Please contact Holland if you should have any questions.

Thank you for your cooperation.
